DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 8 and 11 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

To provide proper antecedent basis and to clarify that the "mounted" tires are in fact mounted on a vehicle applicants should make the following amendments to the claims.

claim 1

line 1, change "mounted tires" to -- pneumatic tires mounted on a vehicle -- ;

lines 7-8, delete the now redundant "arranged in the same tire at a posture of mounting the tire onto a vehicle";

line 10, change "time" to -- tire -- .

claim 8

line 2, change "tires," to -- tire, the reinforcing member of each tire comprising a plurality of rubberized cross cord reinforcing layers, -- .

Claim Rejections - 35 USC § 102

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

4. Claims 1-6, 9, and 11 are rejected under 35 U.S.C. 102(b) as being anticipated by British Patent Specification 1,115,834.

This reference is applied for the same reasons as set forth in Paper Number 4 paragraph 8: the embodiment of Figure 5 inherently meets the shearing rigidity limitation by having a

longer flipper on one side than on the other, one of the ways applicants achieve the difference in shearing rigidity (specification p. 9 line 27 - p. 10 line 18).

Allowable Subject Matter

5. Claim 7 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

6. Claim 8 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
